Make & Take

PARTIES

Our Make and Take® Parties are a great option for do-it-yourselfers. The hosts are able to choose three sayings for their party from over 60 designs specially made for these parties. Each guest chooses one of these sayings at the party, along with a paint color. All who attend will paint their own board and apply the chosen saying.

The best part is, everyone leaves with their sign that day!

Life Expressions also offers children's Make and Take® Parties. Make your child's party special with gifts that the children can take home to decorate their room or special place. Ask your consultant about what options are available for Make and Takes®.
