Craft Club Box Project Instructions

We are so excited for this box!

Every July, we announce a new "Charity of the Year", and this year we are thrilled to support **be nice**.

We are including a flyer in your box that talks a little bit about this organization, as well as includes all of the designs in our catalog that support this cause. For the next year, any time you purchase these designs, we donate 10% of the sale to **be nice**.

We thought it would be fun if this box highlighted our Charity. One of the designs you are receiving is printed on our removable vinyl, and is perfect for an entry way to act as a reminder as your kiddos head back to school this fall- or even makes a great gift for a teacher's classroom.

The other project is a sign you can make that gives all the good feels.

We would love it if you would help us raise money for this Charity of the Year- spread the word to your friends, and let's stand united behind **be nice**.

Amazing Things Printed Vinyl

1. Start by painting the sides of your board. Work your way to the front and paint until you have covered the board evenly.
2. Once your board is dry, remove the backing paper of your printed vinyl. Line it up on your board and firmly rub it onto the surface using a scraper card. Remove the transfer tape slowly, making sure the design has completely adhered to the board.

Removable Be the Nice Kid Vinyl

1. The "Be The Nice Kid" vinyl in your box this month is from our Charity Of the year collection! This is a great reminder for any kid as they leave their home or enter a classroom for the school year (any other day)! Change the location of the vinyl or reuse it! Simply peel it off of the sheet and stick it to the wall, door or window etc. Make sure you save your backing paper! If you're careful enough, you may ever be able to get a second (or third) use out of it!

We would love your help! We will be posting our August Craft Club Box on our corporate Facebook page (Life Expressions Decor) on August 5th, and we want you to post pictures of your finished projects. Post pictures of you creating these items, or when they are finished and displayed in your home. Anyone that submits photos by August 31 will be entered to win a "thank you" gift from us!
