## Craft Club Box Project Instructions

Happy October, friends! Fall is in the air and decorating for this season is so much fun! We are excited to bring you a project this month that is unique, fun to make, and small enough to fill any empty space in your home. We have included some eucalyptus and wheat for you to put in your jars, but also think it would be really cute with a tealight candle. Additionally, we have included some removable (& reusable if stored correctly) pumpkin graphics for you to display in a large variety of spaces. Wall, mirror, cabinet, cupboard... the options are endless! It'll be the perfect addition to your already beautifully fall decorated home! Happy Creating!

## FALL MASON JARS

1. Paint the jars using even brush strokes until you've covered the entire surface of the jar. Only apply one coat if you're going for the distressed look as shown in the photo above.
2. Once the paint has completely dried, sand it to create a distressed and rustic look.
3. Apply your vinyl to the jars.
4. Wrap the twine around the top section of the mason jars two or three times and tie.
5. Insert and arrange your eucalyptus and wheat pieces to your desired look and enjoy your adorable new Fall decor pieces!

## REUSABLE GRAPHICS

Happy Fall! We've included, in this box, a sheet of peel & stick graphics you can add to your decor! These graphics are easily removable from any smooth surface- so they make the perfect addition to your holiday display! Simply peel them off the sheet and stick them to the wall (or door, window, cupboard, etc). When you're ready to take them down, gently peel them back off.

If you're careful enough you may even be able to get a second (or third) use out of them next year! (Keep the sheet that they came on so you can place them back on there).

We would love your help! We will be posting our October Craft Club Box on our corporate Facebook page (Life Expressions Decor) on October 5th, and we want you to post pictures of your finished projects. Post pictures of you creating these items, or when they are finished and displayed in your home. Anyone that submits photos by October 31 will be entered to win a "thank you" gift from us!
