TOGETHER WE CREATE

May Craft Club Box Project Instructions

Happy May! After a crazy year we're all excited to get outside and enjoy some quality time with our family and friends. Summertime is filled with cookouts and outdoor games. Create your own yard game with this month's box!

DICE

1. Pour the stain into the small clear jar.
2. Brush the stain on your Dice blocks with the foam brush provided (do not use your bristle brush from your tool kit). Once the block is covered, wipe the stain off with the rag included in your box. Repeat this until you've reached your desire shade. Remember to use the gloves to protect your hands!
3. Lay the vinyl on your dice. Opposite sides of your die should equal 7. So the two should be directly across from the five, six should be directly across from the one, and three should be directly across from four.
4. Apply poly evenly to all sides of your blocks.

CINCH BAG

1. Preheat iron to cotton setting (250-300 degrees)
2. Iron bag to remove wrinkles
3. Peel off transfer film and lay vinyl on the bag.
4. Iron your design onto your bag. Let cool for 60 seconds before lifting the transfer film.

SCOREBOARD

1. Apply to the top of the black chalkboard surface
2. Use your scraper card to secure the vinyl to the chalkboard
3. Remove transfer tape

BOX CONTENTS:

6 Blocks	Rag	Poly
Chalkboard	Chalk	Jar for applying Stain
Black Cinch bag	2 Gloves	Iron vinyl for bag
Foam Brush	Stain	Vinyl for blocks & chalkboard

*Tool kit included if you are a new subscriber - we are excited to have you!
