April

Here at Life Expressions, we believe in the power of words. Words can provide hope, uplift, encourage, and heal. Sometimes a single word can change everything.

This month's project is focused on words. With several vinyl options, you can choose to fill your jar with blessings, memories, prayers, love, promises, or things you are thankful for. Whichever words you choose to fill your jar with, it is our hope that they brighten your day and fill you with joy!

Proverbs 16:24 "Kind words are like honey- sweet to the soul and healthy for the body."

For inspiration, check out the Craft Club page on our website!
